

# MSTF Kent King Educator Scholarship

## About the scholarship

---

The Missouri State Teachers Foundation will award up to 4 non-renewable \$500 scholarships to college seniors planning a career in education.

The recipients of the scholarships must enroll as full-time students at a college or university in preparation for the teaching profession. Students must also have met the requirements needed to enter their institution's student teaching block. Upon proof of meeting the above requirements, a check for \$500 will be issued to the recipient(s).

Full and explicit answers to all questions on the application are necessary. There will be no interviews of the student applicants selected.

Each SMSTA chapter may submit only one student application, which must be signed by the SMSTA sponsor. If you are unsure who serves as the local SMSTA chapter sponsor, call (800) 392-0532.
