**Experience Matters!**  
**Classroom, Advocacy,**  
**Leadership**

Hello! My name is Nickie Jones, and I am in my 28th year of teaching. After teaching English exclusively for the past 20 years, I have gone back to my first love—teaching business! I now teach business education at Camdenton High School, and I enjoy this new challenge. I love having the opportunity to encourage and inspire students to discover and develop their leadership potential. I strive to inspire new MSTA leaders, as well!

I am PASSIONATE about MSTA and have been very involved in all levels of the association over the past 20 years. I was honored to serve five years on the Legislative Impact Board and as President of the Friends of Bunker Hill Board of Directors. I am a fierce advocate for teachers, and I would be honored to be your voice as MSTA President-Elect.
