Selection

A selection committee of members appointed by the GSLTA Executive Committee will determine the winners. The scholarship will be awarded based on involvement and commitment to education, your personal statement, letters of recommendation, and other information obtained from the applications. Proof of enrollment at a university may be required before a winner receives an award. Winners may be asked to judge applications for the award next year. If you have any questions about the scholarship or application process, please contact Glenn Bussen at gbussen@msta.org or 800.392.0532 x4001.
